Hi Shereen,

I want to share with you that the Riverside Superfund Site PRAP release was announced on Region 2's [Twitter](#) and [Facebook](#) pages! I've included the content below. If you're working on other environmental health projects and would like to share with the public through our social media accounts, please contact the R2 Social Media Team at R2_Social_Media_Team@epa.gov.

Have a wonderful week.

In health,
Donette

Twitter: Public comments are now being accepted on our proposed cleanup plan to address groundwater and sediment contamination at the Riverside #Superfund Site in Newark, New Jersey. Join us at our virtual public meeting on August 6th at 6:00pm! More info here:
<https://www.epa.gov/newsreleases/epa-proposes-cleanup-plan-address-soil-and-groundwater-contamination-riverside>

Facebook: Public comments are now being accepted on our proposed cleanup plan to address an oil spill into the Passaic River near the Riverside Industrial Park #Superfund Site in Newark, New Jersey. The proposed plan includes the implementation of institutional controls and long-term monitoring to eliminate the immediate threats of the oil spill. We are proposing the best course of action to protect human health and the environment at the site, and want to create space for community members to ask questions or voice concerns about the proposal. A virtual public meeting on our proposed plan will be held on August 6th, 2020 from 6:00pm – 8:00pm EST. To view the proposed plan and register for the virtual public meeting, visit the site page at
www.epa.gov/superfund/riverside-industrial
